HERSHEYPARK COVID-19 SAFETY AND PROTOCOLS - Increased Cleaning & Sanitization:

- We will sanitize high-touch areas frequently and add sanitization stations throughout Hersheypark.
- We will reinforce appropriate social distancing through signage, ground markings, and redesigned guest areas.
- All guests over the age of 2 are required to wear face coverings. Guests should also be prepared to undergo a touchless temperature screening prior to entering Hersheypark.
- Ride Protocols: We will determine social distancing and sanitizing requirements on a ride-by-ride basis with new procedures as necessary.
- Our team members will undergo increased training on new protocols.

These operational adjustments may change as guidance and requirements from various government agencies and industry organizations continue to evolve. We appreciate our guests partnering with us on the following efforts to maintain a safe environment for all.
